The estimate of Rs.850/- for providing the Sub-Divisional Office at Mangalore with electric installation includes a sum of Rs.575/- on account of five fans.--

(2) Clerks' room. ...	2	
(3) Section Officer's room.	2	

Such of the items as call for remarks are noted on below:-

2 Item (2) -- There seems to be no necessity to provide fans in the clerks' room. In the case of the taluk office at Palghat, no fans have been provided for clerks. Following that precedent, this Department has recently suggested that the provision of fans for clerks in the Hindupur Taluk Office may be

omitted. The two fans proposed for the clerks' room in the present case may similarly be cut out.

3 Item (3)- Submitted that one fan should be sufficient for the Section Officer. The extra fan which is apparently for his clerk may be cut out.

4 If the above suggestions are approved, the estimate will be reduced by Rs.345/- to Rs.505. Subject to these remarks, the draft order may be accepted.

Mr 2-3 anti The Finance Deptt suggestion to omit fans for clerks in the Mudigere Taluk office has been remitted to Revenue for consideration and a final decision has not yet been arrived at in this case. There are however precedents in which clerks in Taluk offices have been allowed fans. But as Mangalore is not a very hot place the Finance Deptt's suggestion may perhaps be accepted.
